Notes:

If challenger is not yet a guild member, have them fill out a guild membership form or submit all the data the form requests

item description: What is the item? Examples: painted wooden box, embroidered scarf, embossed leather belt, etc

form: what is the form being challenged: Examples: wood: painting, embroidery: crewel, leather: embossed/tooled, etc

evaluators: Who were the evaluators for the challenge, ideally there should be three, but two will do

Knowledge level attempted/achieved: What knowledge level (i.e. working, competency, expert) did the challenger attempt? What level did the evaluators give to the challenger in the form? If the evaluators do not agree on this, please note it in the comments.
